Condensers & Direct Contact Exchangers

Inlet process side	Nature of fluid/Composition (%weight, MW) :
	Pressure (BarA, kg/cm ²) :
	Temperature (°C) :
	Total flow rate (kg/h) :
Cooling side	Nature of fluid :
	Inlet Temperature (°C) :
	Maximum outlet Temperature (°C) :
	Available flow rate (m ³ /h) :
Outlet process side	Pressure (BarA, kg/cm ²) :
	Temperature (°C) :
Construction	Connections (Type, Rating, Size ...) :
	Materials (Shell, Nozzle) :
	Manufacturing code :
	Design conditions (Process side, Cooling side) :
	Tests to be performed (if any) :
Requisition	Quantity of identical equipment required :
	Attached requisition / documents :
